ABOUT ME

I am currently an honors student working towards my high school diploma, along with my Associate's Degree in Applied Sciences in a P-TECH program called Excelsior Academy. Excelsior is an IT-focused school that is partnered with IBM and SUNY Orange. I am also a Boy Scout in Troop 28 out of New Windsor, NY. In scouting, I am currently a Life Scout working towards the Rank of Eagle.

EDUCATION

Newburgh Free Academy, Newburgh, NY - *High School Diploma, anticipated date of degree conferral: June 2020*

General Assembly, Summer 2017, I completed a 10-week course on HTML/CSS and Web Design. [My Final Project](#)

SUNY Orange, Middletown, NY — *Associate's Degree in Applied Sciences, anticipated date of degree conferral: May 2020*

College Classes Taken: Math 101, Math 102, AP Principles of Computer Science, College and Career Skills, CIT 100, CIT 112, CRJ 101

VOLUNTEER WORK

Summer Literacy Program— Over the Summer of 2017, I volunteered at the local library as a Program Assistant at their Summer Literacy Program. My job was to organize and facilitate the activities.

Sacred Heart Religious Education— Every Wednesday night, for two hours, I am responsible for helping the teacher volunteers with a variety of activities for seventh and eighth-grade students working towards the sacrament of Confirmation. Some activities include audio/visual, assembly in the gymnasium, and attendance.

NAUC Tutoring— On certain Tuesdays and Thursdays, since November 2017, I have volunteered my time at the Newburgh Armory to tutor kids in any subject between grades 3–8. I usually volunteer every other week and I have been able to help many children gain a deeper understanding of what they were learning in school.

JOB EXPERIENCE

Pet Sitter

March 2014- Present

I regularly watch my neighbor's pets while they are away. This job has taught me responsibility as I must take care of these animals and how to be more independent in getting my job done without anyone reminding me to.

PROFESSIONAL LEARNING

IBM Watson Analytics 101
Structural Programming
Block Coding
General Assembly
Boy Scouts

SKILLS

Leadership— I was the SPL in my Boy Scout Troop last Year. The SPL is in charge of planning and making sure the meetings run smoothly.

Collaboration— I have collaborated with groups many times to complete school projects.

HTML/CSS/Web Design— I created a fully functional website using HTML/CSS

Watson Analytics— I know how to use Watson to analyze Data and create conclusions based on the data.
